

the website success map

with Naomi Gilmore

WORKSHOP SCHEDULE

MONDAY 11 JANUARY

Live workshop at **9am** GMT

Creating an impact online

We will be mapping out what you need to put on your website to grab attention and get it seen online. I will be showing you the exact things that will help you create an impact with your website. Because when you create an impact not only does your website stand out and get seen - it encourages your visitors to stay on there and learn more!
